PROJECTS

Solid Waste Management Initiative at LPU   October 2024

A platform developed by me, focusing on the domain of solid waste management. It likely aims to provide information, tools, or services related to the proper handling, disposal, and recycling of solid waste. If there are specific features or purposes you'd like to highlight, let me know, and I can refine the summary further!

User-friendly interface including contact page.

Tech: HTML & CSS
Websites: https://solidwaste.vercel.app/
